Meet the Artist

Alan Tan

Alan Tan graduated from Singapore Polytechnic with a Diploma in Architecture Technologies and obtained his Business and Management BSc (Hons) degree from the University of Bradford, UK. He was an urban greenery specialist and a part-time tutor at the National University before leaving the corporate world to pursue his dream as an artist.

Alan is a self-taught artist and a member of the International Art and Culture (Singapore) Federation. He utilises the 'pour acrylic' technique to create modern abstract artworks which incorporate lots of movement and flow dynamics. Each piece of artwork tells a unique story that he would like to share with all aspiring artists and anyone who appreciates the arts.
