Life and love is a journey | Oil Paint on Canvas | 18 x 24 in | \$439

The couple represents us. The path with 2 walls of cliffs represents that the road may be narrow. The rocks and puddles of water represents that we may encounter obstacles in life. The woods means that there are always adventures in life. The waterfall represents "Everlasting life & wealth". The mountain top represents our objectives and goals. The birds flying in the sky means that there are always people who watch your successes and failures.

Everlasting Wealth, Health and Life | Oil Paint on Canvas | 42 x 59 cm | \$419

Water is life and water is one of the best medicine for health. When there is life and health, it will bring wealth. The cliff symbolise the pillar of support. The greenery symbolize everlasting life. The reflection of the water symbolise that in life, at times we must reflect on what we have or are doing, thus making a self check constantly.

The choice | Oil Paint on Canvas | 42 x 59 cm | \$419

Taking a forest to be representative of environment and society, the artist highlights how a river that divides is simultaneously an opportunity for one to exercise one's choice – to stay within their comfort zone or persevere and explore further. To this effect, the waterfalls one encounters is a joy to behold but representative of dangers as well.

Always a blessing | Oil Paint on Canvas | 18 x 24 in | \$439

The sunrise reminds us everyday that we are so blessed to wake up to see a new day. The high cliff signifies that we must always look towards our goal. The asian pine tree standing on the cliff illustrates the importance of staying strong and standing tall.

Mysterious Eyes | Acrylic Paint on Canvas | 18 x 24 in | \$2034

This art's uniqueness is the eyes. It is the Mona Lisa of the Middle East. The eyes will follow the viewer wherever they walk, be it left or right or straight. It also signifies that we must not judge only by appearance.

Love and peace but not ruin | Oil Paint on Canvas | 18 x 24 in | \$552

The scenery has both evergreen and ruins. The woman is caught in the ruin but she wants to move to the woods where there is peace. The eyes follows wherever the viewer moves, it represents, "I will follow where there is peace and love".
